First circular: Conference announcement – Save the date

Dear colleagues,

Following the very successful *Deutsch-Brasilianisches Symposium - Simpósio Brasil-Alemanha 2013* in Santarém the next conference in this series, the

7th German-Brazilian Symposium on Sustainable Development

will be held at **Heidelberg University** from **October 04 to 10, 2015**. Please reserve this date in your schedule.

The congress will cover a broad range of topics:

- Paleoclimatology versus recent Climate Change
- Agriculture and Forestry
- Water and Oceans
- Energy and Minerals
- Biodiversity
- Bioeconomy
- Economies and Law
- Cities of the Future – Megacities – Urban Areas
- Politics and Social Action

The symposium will be organized at the Heidelberg University under the leadership of Prof. Dr. Ulrich A. Glasmacher (Institute of Earth Sciences), supported by the Baden-Württembergisches Brasilien-Zentrum, Baden-Württemberg International, and the Heidelberg Center for the Environment.

Please visit the symposium web page for more information:
www.geow.uni-heidelberg.de/congress/SBA-DBS/

In case of any urgent questions, please contact the Brasilien-Zentrum in Tübingen:
symposium@brasilien-zentrum.uni-tuebingen.de or +49 (0)7071 - 29 74823.
